

ABOUT IEEE COMMUNICATIONS SOCIETY

IEEE Communications Society (ComSoc) is a leading technical and professional community with over 26,000 members worldwide. Founded in 1952, the Society evolved into a diverse group of global industry professionals with a common interest in advancing all Communications technologies. IEEE ICC has earned an international reputation. ComSoc members stay on top of the world of communications technology by accessing up-to-the-minute technical information, networking with other experts in the field, and leveraging exclusive benefits.

PATRONAGE BROCHURE

INTRODUCTION

IEEE ICC 2024 is one of two IEEE Communications Society's flagship conferences. Each year over 2,000 attendees from over 70 countries attend IEEE ICC to take advantage of a program that consists of exciting keynote sessions, robust technical paper sessions, innovative tutorials, panel sessions, workshops, and engaging industry sessions. This 5-day event is known for bringing together audiences across the full breadth of industry and academia to learn about the latest research and innovations in communications and networking technology, share ideas and best practices, and collaborate on future projects. ICC 2024 is planned to be primarily a physical meeting.

REASONS FOR SPONSORSHIP

As a patron of IEEE ICC, your organization's status as a leader in the communications and networking industry will be taken to another level. Your organization will gain maximum exposure to an audience that includes highly regarded executives and decision makers, world renowned researchers, engineers, innovators, and scientists plus young and diverse professionals and students.

Your organization will be featured prominently on all ICC related collaterals. You can use this premier event to showcase your brand and share your company's products, services, and vision with an influential audience from content providers to consumers. Being a patron of IEEE ICC will allow your organization to get first-hand access to the latest research and discussion on relevant topics.
